### About us

DUANE Reade's mission is to make New York Living Easier by serving the daily needs of our customers through our three areas of focus: Health & Wellness - "How I Feel", Beauty "How I Look" and Convenience - "What I Need Now". We work hard everyday to earn the trust and loyalty of our customers, associates, partners, and stakeholders. Strengths include a leading market share, strong same-store sales growth and a solid track record of earnings growth. Store locations (and opportunities) are conveniently located throughout the boroughs of New York City and by every major mass transit stop. We are looking for leaders that share our vision and want to help craft our future. We provide competitive benefits and provide our leaders with the tools, training and support they need to be successful. Duane Reade is a wholly owned by Walgreens.
